Re: Certificate of Correction

Consideration has been given your request for a certificate of correction, for the above-identified patent under the provisions of Rule 1.322 and 1.323.

Respecting the alleged error(s) in your request, the inventors' names are printed in accordance with the typed names on the Declaration, therefore the error was the result of applicants' failure to comply with the requirement that the correct names be indicated on the Declaration or Oath. No correction is in order here under the provisions of Rule 1.322 or 1.323.

In view of the foregoing, your request is hereby denied.

A petition under C.F.R. 1.182 is required to correct the alleged errors in incorrect inventor's name or order of inventor's names, since inventors' names are printed solely in accordance with the typed/printed names (not the signatures) on the Declaration or Oath, and since non-initialed and non-dated changes are not taken into consideration. Therefore, no correction is in order here under the provisions of Rule 1.322 or 1.323 (required fee currently \$100), unless a petition is granted. In view of the foregoing, your request is hereby denied.

Any petition under 37 CFR 1.182 (required fee currently \$130) should be directed to the attention of the Assistant Commissioner for Patents, using the following mailing address or FAX number.
